tom:
^D
^D
 I'm tripping over thoughts in my own mind
^{Em}
 Comparing myself just to pass the time
^E ^D
 I go from everything to nothing in the blink of an eye
^D
 And I wish that I didn't have so much ambition
^{Em}
 Wish I could just relax without guilt admonition
^D
 My worth is achievements, so who am I?
^{Gb7}
 I'm holding myself tight
^G
 Can't sleep through the night
^{Gb7}
 They say my future's bright
^G
 I wish they were right
^D ^D
 I-i wish my mind were mine

 But I can't control
 My thoughts as they come and my thumbs as they scroll

 My head's not on my side
 I hate to admit I'm losing my shit

 You'd think it were my lover

 Turning what I am into abbreviations
 I'm not your convenient girl
 I'm not a Barbie in this Barbie world, oh
