

Olivia Rodrigo - my way

tom: C [Intro] A C D A
A C D A

[Primeira Parte]

It's a little hard to stomach

All your amateur moves

You know he's with me, like, obviously

But you lingering in the air

Just like a bad perfume

It's getting to me, embarrassingly

[Pré-Refrão]

And here's the part

Where the girl gets pissed

And the girl is me

Did you get that hint?

[Refrão]

You're in my way now
Don't go, go where you don't belong

Think I can't make out (oh)

Ah-ah, ah-ah

How hard you hang on

Kind of insane how

You keep calling

But you never get the message

It goes my way now (oh)

Ah-ah, ah-ah, ah-ah-ah-ah

[Interlúdio] A C D A
A C D A

[Segunda Parte]

Man, I wonder what you think

It's gonna go down

You send him 'nother poem

And think that he'll let me go

Or maybe you're just tryna

Get me riled up now

You're posting another

Pic in clothes I know are his

[Pré-Refrão]

C

Well, here's a map

Of the lines I drew

And some girl steps over

And the girl is you

[Refrão]

You're in my way now
Don't go, go where you don't belong

Think I can't make out (oh)

Ah-ah, ah-ah

How hard you hang on

Kind of insane how

You keep calling

But you never get the message

It goes my way now (oh)

Ah-ah, ah-ah, ah-ah-ah-ah

[Terceira Parte]

So where'd you get

That confidence from?

Last time that I checked, I won

Let me be direct: Just stop

You're being fucking weird

Maybe I'm a petty bitch

But you made me resort to this

That's it, I win

That's it, I win

[Refrão]

You're in my way now
Don't go, go where you don't belong

Think I can't make out (oh)

Ah-ah, ah-ah

How hard you hang on

Kind of insane how

You keep calling

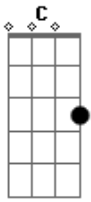

But you never get the message

It goes my way now (oh)

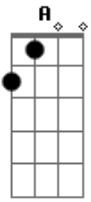

Ah-ah, ah-ah, ah-ah-ah-ah
