Dm

Dm

Just a boy in a Chevy truck
Dm
He's got money, but not too much
Dm
And he calls me baby girl
Dm
I run my hands through his curls
Dm
And my parents think he's good
Dm
And he is, but rest assured
Dm
He's anything but sweet
Dm
If someone comes for me
Dm
I'm a feminist obviously (oh)
Dm
But I wouldn't really mind him saving me (ah)
Gm
And I know that I'm fine without a man (ah)
Gm
But I think I would like his protection (ah)
A
I'm just being honest, can't change what I like
A
I'll never forget it, he told me one night
Gm. A
If anybody hurts you, ha
Dm
I'm going to prison for life
Dm
I'm no damsel in distress, no
Dm
But I like assertiveness, so
Dm
Wrap your arm around me, babe

And tell me that you'll keep me safe
Dm
I know it's bad to fantasize

About robbers and bad guys
Dm
But if you were there to save the day, ha
Dm
Think I'll let them in a merry way
Dm

I'm a feminist obviously (oh)
