 Driving on the right side road

                      Ab
 Feet on the dashboard, he's like a poem I wish
I wrote
I wish I wrote
[Refrão]
And he laughs at all my jokes
    Bb
              Eb
And he says I'm so American

 Bb
                  Cm
To make me feel this much

 God, I'm so boring and I'm so rude
Can't have a conversation if it's not all about you
                 Bb
 The way you dress and the books you read
                         Ab
