

Olivia Rodrigo - stupid song

tom: B [Intro] B B

[Primeira Parte]

^B
New York City's never looked so blue

^B
My friends are smoking

Blunts in the bathroom

^B
They say that honest love

Is a cage that makes you feel free

^{Gb} And all the girls at

This party are so cool

^B
That's never been a thing

That I could do

^B
But I can't help but imagine

^B
What you say when you speak with me

(Gb)

[Refrão]

^{Abm7}
You're a spark in the dark

And my clothes all caught aflame ^E

You should feel how I feel

^{Dbm}
When somebody says your name

I'm a car speeding

^{Gb7}
Down the boulevard without a brake

And I want you more

^{Gb B}
Than any stupid song could ever say

I'm a heart made of wax

^E
And I'm melting in the sun

I'm a thread on your shirt

^{Dbm}
That is coming undone

I feel right, I feel wrong

^{Gb7}
I feel totally insane

And I want you more

^B
Than any stupid song could ever say

[Segunda Parte]

^B
Walking through the park

With my head high

^E
Past all the college girls

And the drunk guys

^B
And if there is a god

^E
He's the bond that's between us two

^B
Seven nights alone and a skipped meal

^E
I'm sleeping in my dress

And my high heels

^B
And I'm too shy to say what I see

^E
When I dream of you

[Refrão]

[Tab - Riff 1]

^{Abm7}
You're a spark in the dark

And my clothes all caught aflame ^E

You should feel how I feel

^{Dbm}
When somebody says your name

I'm a car speeding

^{Gb7}
Down the boulevard without a brake

And I want you more

^{Gb B}
Than any stupid song could ever say

I'm a heart made of wax

^E
And I'm melting in the sun

I'm a thread on your shirt

^{Dbm}
That is coming undone

I feel right, I feel wrong

^{Gb7}
I feel totally insane

And I want you more

^B
Than any stupid song could ever say

[Riff 1]

[Ponte]

^E
Every night like the one before

Dream of you from like 1 to 4

Positively and truly sure

^{B Gb}
Nobody's wanted somebody more

^E
It's a thing that I can't ignore

Tell your friends that you're mine

I'm yours

With a hand on my heart, I swore

^{B Gb}
Nobody's wanted somebody more

^{Dbm}
It's a thing that I can't ignore

Tell your friends that you're mine

I'm yours

^{E Gb}
With a hand on my heart, I swore

[Interlúdio] **B**

[Tab - Interlúdio]

[Pré-Refrão]

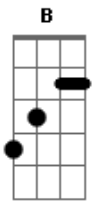

B
I'm going crazy, I'm going mad
I want you, baby, so bad

[Refrão]

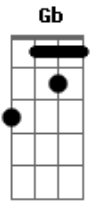

Abm7
You're a spark in the dark
And my clothes all caught aflame
You should feel how I feel
When somebody says your name

I'm a car speeding
Down the boulevard without a brake
And I want you more
Than any stupid song could ever say
I'm a heart made of wax
And I'm melting in the sun
I'm a thread on your shirt
That is coming undone
I feel right, I feel wrong
I feel totally insane
And I want you more
Than any stupid song could ever say
