New York City's never looked so blue

C D  
Say when you speak with me

[Chorus]

Em  
You're a spark in the dark and my  
C  
Clothes all caught aflame  
You should feel how I feel when  
Am  
Somebody says your name  
I'm the car speeding down the  
D  
Boulevard without a brake  
And I want you more than any stupid  
G  
Song could ever say  
I'm a heart made of wax and I'm  
C  
Melting in the sun  
I'm a thread on your shirt that is  
Am  
Coming undone  
I feel right, I feel wrong, I feel  
D  
Totally insane  
N.c  
And I want you more than any stupid

C  
Past all the college girls and the Drunk guys

When I dream of you (When I dream Of you)
