I think of you when the wind blows
Am C
I see your face almost everywhere
C G
Sure, maybe Salt Lake is not close
Am F
But I'm still breathing you in the air
Because

The best part is knowing there's
Something in my dreams
Am F
That always makes me smile, it's you
C
The best part is knowin'
G
There's someone in my life
Am F
That makes it all worthwhile
Dm
It's you
F

When I don't know what to do
C
No, I'm never giving up
G
Never giving up on you, baby
Am F
There's no need to be blue
Because
C G
The best part is knowing there's
Something in my dreams
Am F
That always makes me smile, it's you
C
The best part is knowin'
G
There's someone in my life
Am F
That makes it all worthwhile
C
It's you, you, you

You, you, it's you

It's you
