tom:
 A
 Do somethin' to make me cry (woah, ooh)

D
 Sittin' on the couch
 Bm Dbm
 All we can talk about is the weather
 Dbm
 And whether or not we should go out
 D Bm
 Watchin' TV but it's just noise to me
 Dbm Dbm
 I'm startin' an argument 'cause I'm bored

D
 And then I fantasize
 Bm
 'Bout gettin' in a fight
 Dbm7
 And screamin' that it's over
 Dbm7
 No, don't come any closer
 D
 And I guess we're alright
 Bm
 But why settle for fine?
 Dbm
 I really wanna hate you but you'd have to cross the line

D
 I wish you cheated
 Bm
 I can't live with no reason
 Dbm
 It's not good enough to stay (oh)
 Dbm
 I've tried enough to walk away (oh)
 D
 Go find someone and kiss 'em
 Bm
 So I can be the victim
 Dbm
 It's not good enough to stay (oh)

 It could be so easy (easy)
