

## Olivia Rodrigo - You're Gonna Hate Me

tom: Fm [Primeira Parte] Called it quits a week ago Don't pretend you found my love Already know you got a vendetta agaisnt me, killing you gently You're gonna hate me Ah-ah, ah-ah, ah-ah ('Cause I) Knew a guy when I left you He came around sometimes, you knew him too You were always suspicious, never cool with it Ah-ah, ah-ah, ah-ah [Pré-Refrão]

I don't wanna tell you the truth Know it's gonna, know it's gonna I know what it's gonna do [Refrão] Don't blame your baby Just how God made me I move on too soon Tell your friends I'm crazy That I'm never happy Yeah, if I could date me I'd probably hate me too
