

Olivver The Kid - BBBlue

Tom: C

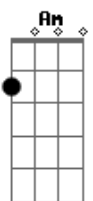

C
I thought that I warned you about the woods: Am
Em The pain they caused me, the life it took G
C But, here you are now centered & stark Am
Em The sun shines through & lights you up G
C But, just as it makes you warm & makes you feel special Am
Em It also drains you red just like the devils G
C I'm green just like the woods
Am You're blue just like the ocean
Em Your colors drown mine out in one fluid motion G
C I don't want to be the one who corrupted you Am Em
G Not you, my baby blue C
Am Another devil on my back Em
G The straw that will blow my stack
C I know that you're weary of me, careful of me
Am You don't have to be afraid of me, scared of me
Em I know that you care for me, now
G & I'm here for you
C I know that you're weary of me, careful of me
Am You don't have to be afraid of me, scared of me
Em I never tried to corrupt you G
C Oh no, not again

Am
It claimed another
Em First it was my friends & now it's my lover G
C I'll burn these fucking woods
Am I'll start the God damn fire
Em Just to try and save you from the wolves that got you dire G
C I don't want to be the one who corrupted you Am Em
G Not you, my baby blue C
Am Another devil on my back Em
G The straw that will blow my stack
C I know that you're weary of me, careful of me
Am You don't have to be afraid of me, scared of me
Em I know that you care for me, now
G & I'm here for you
C I know that you're weary of me, careful of me
Am You don't have to be afraid of me, scared of me
Em I never tried to corrupt you G
C Well, I guess that I was the one who corrupted you Am
Em & I guess that I have to come running back in G
C I'm gonna burn it down
Am I'm gonna burn it down
Em G
I'm coming in
