

# Ollie MN - A Belated Valentine's Day Ditty

tom:

Intro: Gb B Gb B<sup>G</sup>

[Primeira Parte]

Of course I'm aware that it's Valentine's Day<sup>B</sup>  
Had plenty of time to work out how to say<sup>B</sup>  
That I like you, the appropriate amount<sup>B</sup>  
And I usually don't mind having you around<sup>B</sup>

I'll pretend to like the things you like<sup>B</sup>  
If that's what'll keep you by my side<sup>B</sup>  
You made me watch Frozen seven times<sup>B</sup>  
And I never once said what was on my mind<sup>B</sup>

(That fucking snowman)

[Refrão]

Your eyes are good eyes<sup>B</sup>  
Probably better than 90% of other eyes<sup>B</sup>  
Please stay away from better looking guys<sup>B</sup>  
Oh, for you I'd consider beginning to exercise<sup>B</sup>

(Possibly)

[Ponte]

You might ask why<sup>Db</sup>  
I did not buy<sup>Abm</sup>  
You something nice online<sup>B</sup>  
I thought you'd like this song of mine<sup>Db</sup><sup>Abm</sup>  
How dare you suggest I ran out of time<sup>B</sup>

(No, I didn't)

[Final]

Please continue to think all my flaws are charming<sup>B</sup>  
Please don't find my daddy issues alarming<sup>B</sup>  
I can't promise you that the future will be bright<sup>B</sup>  
No, but I guarantee a life with me will be alright<sup>B</sup>

"At least, at least alright"

"Maybe fine, but eh, not good"

[Final] Gb B Gb B<sup>B</sup>  
Gb B Gb B<sup>B</sup>

## Acordes
