

Ollie MN - Friendly Dark

tom:
Capo: 2ª casa
Intro: A

[Primeira Parte]

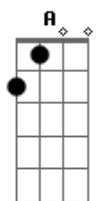

There's an image in my mind
Might be memory or dream
We are bathed in golden light
We are lit like a movie scene
When i think of all our days
I wish that they would all come clear
If I could travel through the haze
If I could conjure you up right here

[Refrão]

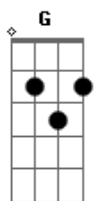

Can we ever get back
Will we ever get back?
To then?
Tell me that we'll go back
You and I will go back
And do it all again

Bm D A
Oh, oh

Oh, oh

[Segunda Parte]

I go looking in the silence
Searching in the space between the trees
There are days when I find us
Lingering in the sunshine through the leaves

When the friendly dark
Opens up inside of me
I will not give in
I've got people to see

[Refrão]

Can we ever get back
Will we ever get back?
To then?

Tell me that we'll go back
You and I will go back
And do it all again
