Could've been one lonely night **G** **C**  
**G** **C**  
Just like the others

**G** **C**  
But you lit up my life  
**G** **C**  
This is what it's like to be lovers

**Am**  
You and me  
**Am**  
Need never be  
**G**  
Lonely again

**C**  
Spin with me  
**G**  
Endlessly  
**C**  
Or at least until the end

**G** **C**  
Please never fall in love again  
**G** **C**

Oh, please never fall in love again

**G** **C**  
And if some other guy  
**G** **C**  
Catches your eye  
**G**  
Please

**C**  
Just text me your goodbye  
**G** **C**  
You know I don't look pretty when I cry

**G**  
And  
I don't want that to be  
**C**  
Your final glimpse of me  
**G** **C**  
Baaa-by  
**G**  
But if you could please  
**C**  
Return my Shrek DVDs  
**G** **C**  
Maaay-be

**G** **C**  
Please never fall in love again  
**G** **C**  
Oh, please never fall in love again
