

Olly Murs - Beautiful To Me

```
Intro: A (3x)
Gbm D
verse:
She, ties her hair up tight
         D
Puts her armour on
         Gbm E
When she steps outside
             Gbm
She, lives in black and white
         D
And the colours gone,
      Gbm E
But its in her eyes
Time and time again we're going back to the start
And i try and try again to bring some light to the dark
I know everyday's a battle and it tears her apart
And i don't know why
And i'm picking up the pieces when they fall to her feet
She's been fighting all the demons so she'll never be free
She's been hiding in the shadows yeah its hard to believe,
       Gbm
And i don't know why
Chorus:
Love, don't ever change the way you are,
           D
You light the sky just like a star
I don't care what you say you're
Beautiful to me, oh
Middle : A Gbm D
              Gbm
She, she never gets it right
                             Gbm

And it feels like rain on a perfect night
                    Gbm

She can push me hard, but i won't let go
