

## Omarion - Ice Box

```
Verse 2: C Em Am F
Intro: C Em Am F
                                                               Why can't I get it right, just can't let it go
Fussin' and fightin', we back at it again
                                                               I opened up, she let me down, I won't feel that no more
I know that, it's my fault, but you don't understand (no)
                                                               I got memories, this is crazy
I got memories, this is crazy You ain't nothing
                                                               She ain't nothing like the girl I used to know
like the girl I used to know
Bridge: Am G C E
                                                               Bridge: Am G C E
Girl I really wanna work this out, cause I'm tired of fightin'
                                                               Girl I really wanna work this out, cause I'm tired of fightin'
And I really hope you still want me the way I want you
                                                               And I really hope you still want me the way I want you
I said I really wanna work this out, damn girl I'm tryin'
                                                               I said I really wanna work this out, damn girl I'm tryin'
It's no excuse, no excuse
                                                               It's no excuse, no excuse
                                                               But I got this
But I got this
Chorus 2x: C Em Am F
                                                               Chorus 2x: C Em Am F
I got this icebox where my heart used to be (but I got this)
                                                               I got this icebox where my heart used to be (but I got this)
I got this icebox where my heart used to be (oooh)
                                                               I got this icebox where my heart used to be (oooh)
                          Em
                                                                                          \mathsf{Em}
I'm so cold, I'm so cold, I'm so cold(oooh), I'm so cold
                                                               I'm so cold, I'm so cold, I'm so cold(oooh), I'm so cold
I'm so cold, I'm so cold.
                                                               I'm so cold, I'm so cold
```
