

## **Omi - Cheerleader**

```
All these other girls are tempting
 Intro: 4x: E B A
                                                                                                                                                                                                                                                    But I'm empty when you're gone
 Solo Intro:
                                                                                                                                                                                                                                                    And they say
                                                                                                                                                                                                                                                    Pré-refrão:
 Primeira Parte:
                                                                                                                                                                                                                                                      Do you need me?
 When I need motivation
                                                                                                                                                                                                                                                   Do you think I'm pretty?
   My one solution is my queen
                                                                                                                                                                                                                                                    Do I make you feel like cheating? \frac{B}{A}
  'Cause she' stay strong yeah, yeah
                                                                                                                                                                                                                                                    I'm like no, not really 'cause
 She is always in my corner
 Right there when I wanna \,
                                                                                                                                                                                                                                                    E A B
Oh, I think that I found
 All these other girls are tempting
 But I'm empty when you're gone
                                                                                                                                                                                                                                                   Myself a cheerleader
                                                                                                                                                                                                                                                    She is always right there
 And they say
 Pré-refrão:
                                                                                                                                                                                                                                                    When I need her
                                                                                                                                                                                                                                                   E A DOWN I think that I found E
     Do you need me?
 Do you think I'm pretty?
                                                                                                                                                                                                                                                    Myself a cheerleader
 Do I make you feel like cheating?

                                                                                                                                                                                                                                                    Mom loves you too
 In a bottle yeah, yeah
                                                                                                                                                                                                                                                    She thinks I made the right selection % \left\{ 1,2,\ldots ,n\right\} =\left\{ 1,2,\ldots 
  'Cause I'm the wizard of love
                                                                                                                                                                                                                                                   Now all that's left to do
 And I got the magic wand
                                                                                                                                                                                                                                                    Is just for me to pop the question
```
