

One Direction - 18

```
Intro: 2x: A A
I got a heart and I got a soul
Believe me, I lose them both
We made a star
Be it a false one, I know
Baby, I don't want to feel alone
So kiss me where I lay down
                Gbm
My hands pressed through your cheeks
A long way from the playground
I have loved you since we were 18
Long before we both thought the same thing
To be loved, to be in love
All I can do is say that these arms
Were made for holding you
I wanna love like you made me feel when we were 18
( A A ) 2x
We took a chance
God knows, we tried
Yet all along
I knew we'd be fine
AADA
So pour me a drink, oh love
Let's split the night wide open
And we'll see everything
We can live in love in slow motion, motion, motion
```
