

## One Direction - I Wish

```
Tom: G
  Solo intro:
He takes your hand
I die a little
I watch your eyes
And I'm in riddles
Why can't you look at me like that
When you walk by
I try to say it
But then I freeze
And never do it
My tongue gets tight
The words gets trapped
I hear the beat of my heart getting louder
Whenever I'm near you
But I see you with him slow dancing
Tearing me apart
Cause you don't see
Whenever you kiss him
I'm breaking,
Oh how I wish that was me
He looks at you
The way that I would
Does all the things, I know that I could
```

## **Acordes**

```
If only time, could just turn back
Cause I got three little words
That I've always been dying to tell you
       G
But I see you with him slow dancing
Tearing me apart
Cause you don't see
Whenever you kiss him
I'm breaking,
Oh how I wish that was me
Feel with my hands on your waist
While we dance in the moonlight
I wish it was me
That you call later on
Cause you wanna say good night
But I see you with him slow dancing
Tearing me apart
Cause you don't see
But I see you with him slow dancing
Tearing me apart
Cause you don't see
Whenever you kiss him
I'm breaking,
Oh how I wish
Oh how I wish
Oh how I wish, that was me
Oh how I wish, that was me
```
