

One Direction - Infinity

Tom: E

Verso 1:

Down to earth, keep 'em falling when I know it hurts,
going faster than a million miles an hour,
trying to catch my breath some way, somehow.
Down to earth, it's like I'm frozen, but the world still turns,
stuck in motion, and the wheels keep spinning 'round,
moving in reverse with no way out.

Pré-Refrão:

And now I'm one step closer to being
two steps far from you,
And everybody wants you
Everybody wants you.

Refrão:

How many nights does it take to count the stars?
That's the time it would take to fix my heart,
oh, baby, I was there for you.
All I ever wanted was the truth, yeah, yeah.
How many nights have you wished someone would stay?
lay awake only hoping they're okay.
I never counted all of mine,
If I tried, I know it would feel like infinity.
Infinity, infinity, yeah
Infinity.

Verso 2:

Eyes can't shine unless there's something burning bright
behind,
Gbm

Since you went away, there's nothing left in mine,
I feel myself running out of time.

Pré-Refrão:

And now I'm one step closer to being
two steps far from you,
and everybody wants you, everybody wants you.

Refrão:

How many nights does it take to count the stars?
That's the time it would take to fix my heart,
oh, baby, I was there for you.
All I ever wanted was the truth, yeah, yeah,
How many nights have you wished someone would stay?
lay awake only hoping they're okay.

I never counted all of mine,
If I tried, I know it would feel like infinity.
Infinity, infinity, yeah
Infinity. Infinity, Infinity.
