

One Direction - Little Things

Tom: **G**

Your **G** hand fits in mine

Like it's made just for me
(Riff) **C**

But bear this in mind

It was meant to be

And I'm **Em7** joining up the dots

With the **D** freckles on your cheeks

And it **C** all makes **D** sense to me **G**

G

I know you've never loved

The crinkles by your eyes
(Riff) **C**

When you smile,

You've never loved

Your stomach or your thighs

The **Em7** dimples in your back

At the **D** bottom of your spine

But I'll **C** love them **D** endlessly **G**

Am7 **C**

I won't let these little things

Slip out of my mouth **D**

But if I do **Am7**

It's you **C**

Oh it's you **Em7**

They add up to **D**

I'm in love with you **C**

And all these little things **G**

G

You can't go to bed

Without a cup of tea
(Riff) **C**

And maybe that's the reason

That you talk in your sleep **Em7**

And all those conversations **D**

Are the secrets that I keep **C** **D** **G**

Though it makes no sense to me

G

I know you've never loved
(Riff) **C**

The sound of your voice on tape

You never want to know how much you weigh **Em7** **D**

You still have to squeeze into your jeans

C **D**

But you're perfect to me

Am7 **C**

I won't let these little things

Slip out of my mouth **Em7** **D**

But if I do **Am7**

It's you **C**

it's you **Em7**

They add up to **D**

I'm in love with you **C**

Am7

And all these little things

You'll never love yourself **C**

Half as much as I love you **Em7** **D**

Am7 **C** **Em7**

You'll never treat yourself right darlin'

But I want you to **D**

Am7 **C**

If I let you know

I'm here for you **Em7** **D**

Am7 **C** **Em7** **D**

Maybe you'll love yourself like I love you

Oh...

Am7 **C**

I've just let these little things

Slip out of my mouth **Em7** **D**

Because it's you **Am7**

Oh it's you **C**

It's you **Em7**

They add up to **D**

And I'm in love with you **C**

Am7

And all these little things

Am7 **C**

I won't let these little things

Slip out of my mouth **Em7** **D**

But if I do **Am7**

It's you **C**

it's you **Em7**

They add up to **D**

I'm in love with you **C**

And all your little things. **G**
