

One Direction - Little Things

Tom: **G**
Intro: **G C Em D C D G**

Primeira Parte:

Your hand fits in mine

Like it's made just for me

But bear this in mind

It was meant to be

And I'm joining up the dots

With the freckles on your cheeks

And it all makes sense to me

I know you've never loved

The crinkles by your eyes

When you smile

You've never loved

Your stomach or your thighs

The dimples in your back

At the bottom of your spine

But I'll love them endlessly

Refrão:

Am I won't let these little things

Em Slip out of my mouth

Am But if I do

C It's you

Em Oh, it's you

D They add up to

C I'm in love with you

G And all these little things

Segunda Parte:

You can't go to bed

Without a cup of tea

And maybe that's the reason

That you talk in your sleep

Em And all those conversations

D Are the secrets that I keep

C Though it makes no sense to me

I know you've never loved

C The sound of your voice on tape

You never want

To know how much you weigh

Em You still love to squeeze

D Into your jeans

C But you're perfect to me

Refrão:

Am I won't let these little things

Em Slip out of my mouth

Am But if is true
