

One Direction - Little White Lies

Tom: C

If this room was burning
 I wouldn't even notice
 'cause you've been taking up my mind with your
 Little white lies, little white lies
 You say it's getting late, it's getting late
 And you don't know if you can stay, if you can stay
 But you, you don't tell the truth
 No, you, you like playing games
 Your hands touching me, they're touching me
 And your eyes keep saying things
 They're saying what we do
 When it's only me and you I can't concentrate
 It's all I'm thinking about
 All I keep thinking about
 Everything else just fades away

If this room was burning
 I wouldn't even notice
 'cause you've been taking up my mind with your
 Little white lies, little white lies
 You say you're a good girl
 But I know you would, girl
 'cause you've been telling me all night with your
 Little white lies, little white lies
 With your little white lies, little white lies

Back seat of the cab, we're in the cab now
 Our lips getting so attached, they're so attached now
 With your little white lies, little white lies

You wanna make some rules now, cool
 Then we'll watch them break tonight

I know what you want
 And I've been waiting so long

If this room was burning
 I wouldn't even notice
 'cause you've been taking up my mind with your
 Little white lies, little white lies
 You say you're a good girl
 But I know you would, girl
 'cause you've been telling me all night with your
 Little white lies, little white lies
 With your little white lies, little white lies

I know you want it
 I know you feel it, too
 Lets stop pretending that you don't know
 And I don't know just what we came to do
 Came to do

(G F G Am G F G)

If this room was burning
 I wouldn't even notice
 'cause you've been taking up my mind with your
 Little white lies, little white lies
 You say you're a good girl
 But I know you would, girl
 'cause you've been telling me all night with your
 Little white lies, little white lies
 With your little white lies, little white lies
