

One Direction - More Than This

```
Tom: C
                                                               My body feels I'm on my knees
                                                                G
                                                               Praying
                                                               yeah
Intro: C Am7 G Em F G
Ooooh, ohhh
                                                               Refrão:
                                                                          C
                                                                                              Am7
                                                               When he opens his arms and holds you close tonight
            Am7
I'm broken, do you hear me?
                                                               it just won't feel right
                                                                           С
                 Em
I'm blinded, cause you are everything I see
                                                               Cause I can love you more than this, yeah
            Am7
                                                                         С
                   G
                                                                                             Am7
I'm dancing alone I'm praying
                                                               When he lays you down I might just die inside
                                                               it just don't feel right cause I can love you more than this
that your heart will just turn around
                        G
And as I walk up to your door
                                                                                           Bb
                                                               I've never had the words to say but now I'm asking you to stay
My head turns to face the floor
                                                               for a little
Cause I can't look you in the eyes
                                                                     C
   G
                                                               while inside my arms
                                                                                            Bh
                                                               Dm
And say
                                                               and as you close your eyes tonight I pray that you will see
                                                               the light that's
                              Am7
When he opens his arms and holds you close tonight
                                                               shining from the stars, above (and I say)
it just won't feel right
                                                               Refrão:
             C
                                                                          C
                                                                                              Am7
Cause I can love you more than this, yeah
                                                               When he opens his arms and holds you close tonight
          С
                              Am7
                                                                it just won't feel right
When he lays you down I might just die inside
                                                                            С
                                                               Cause I can love you more than this
it just don't feel right cause I can love you more than this
                                                               Cause I can love you more than this, yeah
                                                                                              Am7
                                                               When he lays you down I might just die inside
can love you more than this
                                                                                       Dm
                                                               it just don't feel right cause I can love you more than this,
            Am7
If I'm louder would you see me?
                 Em
Would you lay down in my arms and rescue me?
                                                                                           Am7
                                                               When he opens his arms and holds you close tonight
                 Am7
                                                               it just won't feel right
Cause we are the same
                                                               Cause I can love you more than this
Cause I can love you more than this, yeah
you save me
Em
When you leave it's gone again
                                                                          С
                                                                                             Am7
                                                               When he lays you down I might just die inside
And then I see you on the street
                                                               it just don't feel right cause I can love you more than this
In his arms,
  F
                                                                                     C
                                                               can love you more than this
I get weak
```
