You're so pretty When you cry When you cry
Wasn't ready To hear you Say goodbye
Now you're tearing me apart Tearing me apart
You're tearing me apart

You're so London Your own style Your own style
We're together We're so good So, girl, why
Are you tearing me apart? Tearing me apart
You're tearing me apart

Did I do something stupid?
Yeah, girl, if I blew it
Just tell me what I did
Let's work through it
There's gotta be some way
To get you to want me
Like before

Cause no one ever looked
So good in a dress
And it hurts

Cause I know you won't be
Mine tonight
No one ever makes me
Feel like you do
When you smile

Baby, tell me how to
Make it right

Now, all of my friends say
It's not really worth it
But even if that's true
No one in the world

Could stop me
From not moving on
Baby, even if I wanted to
Nobody compares to you

We're so Paris When we kiss When we kiss
I remember The taste of Your lipstick
Now you're tearing up my heart Tearing up my heart
You're tearing up my heart

Did I do something stupid?
Yeah, girl, if I blew it
Just tell me what I did
Let's work through it
There's gotta be some way
To get you to want me
Like before

Cause no one ever looked
So good in a dress
And it hurts

Cause I know you won't be
Mine tonight
No one ever makes me
Feel like you do
When you smile

Baby, tell me how to
Make it right

Now, all of my friends say
It's not really worth it
But even if that's true
No one in the world
Could stop me
From not moving on
Baby, even if I wanted to
Nobody compares to you
