Tom: **B**

(forma dos acordes no tom de **G** )  
Capostrate na 4ª casa

You're so pretty When you cry When you cry  
Wasn't ready To hear you Say goodbye  
Now you're tearing me apart Tearing me apart  
You're tearing me apart

You're so London Your own style Your own style  
We're together We're so good So, girl, why  
Are you tearing me apart? Tearing me apart  
You're tearing me apart

Did I do something stupid?  
Yeah, girl, if I blew it  
Just tell me what I did  
Let's work through it  
There's gotta be some way  
To get you to want me  
Like before

Cause no one ever looked  
So good in a dress  
And it hurts

Cause I know you won't be  
Mine tonight  
No one ever makes me  
Feel like you do  
When you smile

Baby, tell me how to  
Make it right

Now, all of my friends say  
It's not really worth it  
But even if that's true  
No one in the world

Could stop me  
From not moving on  
Baby, even if I wanted to  
Nobody compares to you

We're so Paris When we kiss When we kiss  
I remember The taste of Your lipstick  
Now you're tearing up my heart Tearing up my heart  
You're tearing up my heart

Did I do something stupid?  
Yeah, girl, if I blew it  
Just tell me what I did  
Let's work through it  
There's gotta be some way  
To get you to want me  
Like before

Cause no one ever looked  
So good in a dress  
And it hurts

Cause I know you won't be  
Mine tonight  
No one ever makes me  
Feel like you do  
When you smile

Baby, tell me how to  
Make it right

Now, all of my friends say  
It's not really worth it  
But even if that's true  
No one in the world  
Could stop me  
From not moving on
