## One Direction - Olivia

```
there's something I'm having nightmares about,
                                             E )
 (com acordes na forma de
Capostraste na 2ª casa
                                                                these are the reasons I'm crying out to be with you.
Verso 1:
                                                                Pré-Refrão:
Remember the day when we've given up,
                                                                  В
                                                                Please believe me, don't you see the things you mean to me?
when you told me I didn't give you enough.
                                                                Oh I love you, I love you, I love, I love Olivia.
And all of your friends were saying I'll be leaving you,
                                                                Refrão:
She's lying in bed with my t-shirt on, just thinking how {\tt I}
                                                                Dbm
                                                                I live for you, I long for you, Olivia.
went about it wrong,
this isn't the stain of a red wine, I'm bleeding love.
                                                                I've been idolizing the lightt in your eyes, Olivia.
                                                                                   В
                                                                I live for you, I long for you, Olivia.
Pré-Refrão:
                                                                             E Bm7
Please believe me, don't you see the things you mean to me?
                                                                Don't let me go, don't let me go.
Oh I love you, I love you, I love, I love Olivia.
                                                                ( E A B A ) (x2)
Refrão:
                                                                Bridge:
I live for you, I long for you, Olivia.
                                                                When you go and I'm alone you live in my imagination,
                                                                                   Α
I've been idolizing the lightt in your eyes, Olivia.
                                                                Summertime and butterflies, all belong to your creation.
I live for you, I long for you, Olivia.
                                                                I love you, it's all I do. I love you.
             E Bm7
Don't let me go, don't let me go.
                                                                Refrão:
                                                                Dbm
Verso 2:
                                                                I live for you, I long for you, Olivia.
Say what you're feeling and say it now,
                                                                I've been idolizing the lightt in your eyes, Olivia.
                                                                                   В
                                                                I live for you, I long for you, Olivia.
'cause I get the feeling you're walking out.
                                                                Dbm | B | A Dbr Don't let me go. don't let me go.
                                                                                                   Dbm | B | A
Time is irrelevant when I've not been seeing you,
                                                                             Dbm | B | A | E |
                                                                Don't let me go.
The consequences are falling now,
