

# One Direction - One Thing

Tom: D

Intro: D A D

Verso 1:

I've tried playing it cool  
But when I'm looking at you  
I can't ever be brave  
Cause you make my heart race

Verso 2:

Shot me out of the sky  
You're my kryptonite  
You keep me making me weak  
Yeah, frozen and can't breathe

Pré-Refrão 1:

Something's gotta give now  
'Cause I'm dying just to make you see  
That I need you here with me now  
Cause you've got that one thing  
So get out, get out, get out of my head  
And fall in to my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing

( D A D )

Verso 3:

Now I'm climbing the walls  
But you don't notice at all  
That I'm going out of my mind  
All day and all night

Pré-Refrão 2:

Something's gotta give now

Cause I'm dying just to know your name

And I need you here with me now

Cause you've got that one thing

So get out, get out, get out of my head  
And fall in to my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing

Refrão 2:

So get out, get out, get out of my mind  
And come on, come in to my life  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing

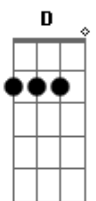

Woah-oh-oh-oh  
Woah-oh-oh-oh  
Woah-oh-oh-oh  
You've got that one thing

Get out, get out, get out of my head  
And fall in to my arms instead

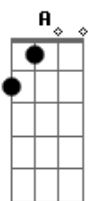

So get out, get out, get out of my head  
And fall in to my arms instead  
I don't, I don't, don't know what it is  
But I need that one thing

So get out, get out, get out of my mind  
And come on, come in to my life  
I don't, I don't, don't know what it is  
But I need that one thing  
And you've got that one thing
