

One Direction - Perfect

Tom: **D**

D
I might never be your knight in shining armor

A
I might never be the one you take home to mother

Bm
And I might never be the one who brings you flowers

G
But I can be the one, be the one tonight

D
When I first saw you
From across the room

A
I could tell that you were curious (Oh, yeah)

Bm
Girl, I hope you're sure
What you're looking for

G
'Cause I'm not good at making promises

D(one stroke)
But if you like causing trouble up in hotel rooms
A(one stroke)

And if you like having secret little rendezvous
Bm (stroke)

If you like to do the things you know that we shouldn't do
G(one stroke)

Baby, I'm perfect

G(pause)

Baby, I'm perfect for you

D
And if you like midnight driving with the windows down
A

And if you like going places we can't even pronounce

Bm
If you like to do whatever you've been dreaming about

G
Baby, you're perfect

Baby, you're perfect

(pause)

So let's start right now

D
I might never be the hand you put your heart in

A
Or the arms that hold you any time you want them

Bm
But that don't mean that we can't live here in the moment

G
'Cause I can be the one you love from time to time

D
When I first saw you
From across the room

A
I could tell that you were curious (Oh, yeah)

Bm
Girl, I hope you're sure
What you're looking for

G
'Cause I'm not good at making promises

D(one stroke)
But if you like causing trouble up in hotel rooms
A(one stroke)

And if you like having secret little rendezvous
