

One Direction - Right Now

Tom: C
Intro: Am F C F
Am

Lights go down
And the night is calling to me, yeah
I hear voices singing songs in the street
And I know

That we won't be going home
For so long, for so long
But I know that I won't be on my own
Yeah, I love this feeling and

Right now I wish you were here with me, oh
'cause right now everything is new to me, oh
You know I can't fight the feeling
And every night, I feel it
Right now I wish you were here with me, oh

Late night, spaces
With all our friends, you and me, yeah
Love these faces
Just like how it used to be
And we won't be going home

For so long, for so long
But I know that I won't be on my own
On my own, I'm feeling like

Right now I wish you were here with me, oh
'cause right now everything is new to me, oh
You know I can't fight the feeling
And every night, I feel it
Right now I wish you were here with me, oh

And I could do this forever
Whoa, whoa, oh
And lets go crazy together
Whoa, whoa, oh

Lights go down
And I hear you calling to me, yeah
Right now I wish you were here with me, oh
'cause right now everything is new to me, oh
You know I can't fight the feeling
And every night, I feel it
Right now I wish you were here with me, oh
