

One Direction - Stockholm Syndrome

Tom: Eb

(com acordes na forma de Capotraste na 1ª casa D)

Who's that shadow holding me hostage I've been here for days
 Who's this whisper telling me that I'm never gonna get away
 I know they'll be coming to find me soon
 But I fear I'm getting used to
 pause
 being held by you
 (0oh)Baby look what you've done to me
 (0oh)Baby look what you've done now
 (0oh)Baby I'll never leave you if you keep holding me this way
 (0oh)Baby look what you've done to me
 (0oh)Baby look you've got me tied down
 (0oh)Baby I'll never leave you if you keep holding me this way
 Who's this man that's holding your hand
 And talking about your eyes
 Used to sing about being free but now he's changed his mind
 I know they'll be coming to find me soon

But my stockholm syndrome is in your room
 pause
 Yeah I fell for you

(0oh)Baby look what you've done to me
 (0oh)Baby look what you've done now
 (0oh)Baby I'll never leave you if you keep holding me this way
 (0oh)Baby look what you've done to me
 (0oh)Baby you've got me tied down
 (0oh)Baby I'll never leave you if you keep holding me this way
 All my life I've been on my own
 I used the light to guide me home
 But now together we're alone
 And there's no other place I'd ever wanna go
 (0oh)Baby look what you've done to me
 (0oh)Baby look what you've done now
 (0oh)Baby I'll never leave you if you keep holding me this way
 (0oh)Baby look what you've done to me
 (0oh)Baby you've got me tied down
 (0oh)Baby I'll never leave you if you keep holding me this way
