

# One Direction - Stole My Heart

Tom: G

Verso 1:

G  
The light shines  
C Em D  
It's getting hot on my shoulder  
G  
I don't mind,  
C Em D  
This time it doesn't matter  
G  
Cause your friends,  
C Em D  
They look good, you look better

Pré-Refrão:

D F Am Em  
Don't you know all night I've been waiting for a girl like you  
to come around, round, round?

Refrão:

G C  
Under the lights tonight  
Am D G C  
You turned around, and you stole my heart  
Am D G C  
With just one look, when I saw your face  
Am D  
I fell in love  
G C Am D  
It took a minute girl to steal my heart tonight  
Am D G  
With just one look, yeah  
C Am D G  
I waited for a girl like you

Verso 2: (Mesmos acordes verso 1)

I'm weaker  
My worlds fall and they hit the ground  
Oh life, come on head, don't you fail me now?

I start to say,  
"I think I love you", but I make no sound

Pré-Refrão:

You know cause all my life, I've been waiting for a girl like  
you to come around

Refrão:

Under the lights tonight  
You turned around, and you stole my heart  
With just one look, when I saw your face  
I fell in love  
It took a minute girl to steal my heart tonight  
With just one look, yeah  
I waited for a girl like you

C D Em  
There is no other place that I would rather be  
G D C  
Than right here with you tonight  
C D Em  
As we lay on the ground I put my arms around you  
G D C  
And we can stay here tonight  
C Am D F  
Cause there's so much that I wanna say, I wanna say

Refrão:

Under the lights tonight  
You turned around, and you stole my heart  
With just one look, when I saw your face  
I fell in love  
It took a minute girl to steal my heart tonight

Under the lights tonight  
You turned around, and you stole my heart  
With just one look, when I saw your face  
I fell in love  
It took a minute girl to steal my heart tonight

With just one look, yeah  
I waited for a girl like you  
I waited for a girl like you
