

One Direction - Taken

Tom: D

Now that you can't have me
 You suddenly want me
 Now that I'm with somebody else
 You tell me you love me
 I slept on your doorstep
 Begging for one chance
 Now that I finally moved on
 You say that you missed me all along

Who do you think you are?
 Who do you think I am?
 You only love to see me breaking
 You only want me cause I'm taken
 You don't really want my heart
 No, you just like to know you can
 Still be the one who gets it breaking
 You only want me when I'm taken

You're messing with my head
 Girl that's what you do best
 Saying there's nothing you won't do
 To get me to say yes
 You're impossible to resist
 But I wouldn't bet your heart on it
 It's like I'm finally awake
 And you're just a beautiful mistake

Who do you think you are?
 Who do you think I am?
 You only love to see me breaking
 You only want me cause I'm taken
 You don't really want my heart
 No, you just like to know you can
 Still be the one who gets it breaking
 You only want me when I'm taken

Thank you for showing me
 Who you are underneath
 No, thank you, I don't need
 Another heartless misery
 You think I'm doing this to make you jealous
 And I know that you hate to hear this
 But this is not about you anymore

Who do you think I am?
 You only love to see me breaking
 You only want me cause I'm taken
 You don't really want my heart
 No, you just like to know you can
 Still be the one who gets it breaking
 You only want me when I'm taken

Now that you can't have me
 You suddenly want me
