

# One Direction - Tell Me a Lie

Tom: G

Can't ever get it right  
No matter how hard I try  
And I've tried  
Well, I put up a good fight  
But your words cut like knives  
And I'm tired

Pré-Refrão:  
As you break my heart again this time

Refrão:  
Tell me I'm a screwed up mess  
That I never listen listen  
Tell me you don't want my kiss  
That you're needing distance distance  
Tell me anything but don't you say he's what you're missing baby  
If he's the reason that you're leaving me tonight  
Spare me what you think and  
Tell me a lie

Well, you're the charming type  
That little twinkle in your eye  
Gets me every time  
And well there must have been a time  
I was the reason for that smile

So keep in mind

Pré-Refrão:

As you take what's left of you and I

Refrão:  
Tell me I'm a screwed up mess  
That I never listen listen  
Tell me you don't want my kiss  
That you're needing distance distance  
Tell me anything but don't you say he's what you're missing baby  
If he's the reason that you're leaving me tonight  
Spare me what you think and  
Tell me a lie
