

One Direction - Truly Madly Deeply

Tom: A	Wish I could freeze this moment in a frame and stay like this
(com acordes na forma de)	I'll put this day back on replay and keep reliving it
INTRO	
VERSE 1 (Liam)	'Cause here's the tragic truth if you don't feel the same My heart would fall apart if someone said your name.
Am I asleep, am I awake, or somewhere in between	CHORUS
I can't believe that you are here and lying next to me	
Or did I dream that we were perfectly entwined	Truly, madly, deeply, I am
Like branches on a tree, or twigs caught on a vine.	Foolishly, completely falling
VERSE 2 (Niall)	And somehow, you caved all my walls in
Like all those days and weeks and months I tried to steal a kiss	So baby, say you'll always keep me
And all those sleepless nights and daydreams where I pictured this,	Truly, madly, crazy, deeply in love with you.
I'm just the underdog who finally got the girl	I hope I'm not a casualty,
And I am not ashamed to tell it to the world.	Hope you won't get up and-
CHORUS	-leave
Truly, madly, deeply, I am	I don't mean that much to-
Foolishly, completely fallin'	-you
And somehow, you caved all my walls in	But to me it's everything.
So baby, say you'll always keep me	Everything.
Truly, madly, crazy, deeply in love with you	Truly, madly, deeply, I am
In love with you.	Foolishly, completely falling
VERSE 3 (Liam)	And somehow you caved all my walls in
Should I put coffee and granola on a tray in bed	So baby, say you'll always keep me
And wake you up with all the words I still haven't said	Truly, madly, crazy, deeply in love with you
And tender touches, just to show you how I feel	In love with you, In love with you
Or should I act so cool, like it was no big deal.	With You.
VERSE 4 (Zayn)	

Acordes
