I've been roaming around
Always looking down at all I see
                       Em
Painted faces, build the places I can't reach
You know that I could use somebody
                     Am
You know that I could use somebody
Someone like you, and all you know, and how you speak
                     Em
Countless lovers under cover of the street
You know that I could use somebody
                     Am
You know that I could use somebody
(CEmF)(4x)
Someone like you
Off in the night, while you live it up, I'm off to
```

```
Waging wars to shape the poet and the beat

I hope it's gonna make you notice
                                  C
I hope it's gonna make you notice
