

One Direction - We Are

tom: (G Em C G)
[Harry & Niall]

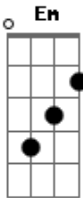

[Liam] Em C
Leaves have fallen to the ground
Now there's no one else around
To hear the cry
[Harry] C
I saw your body
I saw your face
Loss of presence
Loss of grace
Behind those eyes
[Harry & Liam] C G
We break down
We lose touch
Sometimes
We are alone
[Louis] C
I miss your laughter
I miss your tears
I miss your rambling
About your fears
Your smile
[Niall] C
The crowd has gathered
All around
No one speaking
No one makes a sound
[Liam] C
And I
