Intro: Dm G Dm G

Verso 1:

Am Em  
Through the wire, through the wire, through the wire  
F G Am  
I'm watching her dance, her dress is a catch in the light.  
Em  
In her eyes there's no lies, no lies,  
F G Am  
there's no question, she's not in a disguise.

Pré-Refrão:

Dm G Dm  
There's no way out and a long way down,  
G Dm  
everybody needs someone around.  
G Dm  
But I can't hold you, too close now,  
G  
through the wire, through the wire.

Refrão:

Am Em F G  
What a feeling to be right here beside you now, holding you in  
my arms.  
Am Em F G  
When the air ran out and we both started running wild, the sky  
fell down.  
Am G F G  
But you've got stars in your eyes and I've got something  
missing tonight.  
Am Em F G  
What a feeling to be a king beside you, somehow I wish I could  
be there now.

Verso 2:

Am Em  
Through the wire, through the wire, through the wire  
F G  
I'm watching like this imagining you're mine.  
Am Em  
It's too late, too late, am I too late?  
F G  
Tell me now, am I running out of time?
