

One Ok Rock - Be The Light

Tom: **Bb**

Bb
Just the thought of another day
F
How did we end up this way
Gm **Eb**
What did we do wrong?
God
(**Bb F Gm Eb**)

Bb
Even though the days go on
F
So far so far away from
Gm **Eb**
It seems so close

Bb
Always weighing on my shoulder
F
A time like no other
Gm
It all changed on that day
Eb
Sadness and so much pain

Bb
You can touch the sorrow here
F
I don't know what to blame
Gm **Eb**
I just watch and watch again

Bb
Even though the days go on
F
So far so far away from
Gm **Eb**
It seems so close

Bb
Even though the days go on
F
So far so far away from
Gm **Eb**
It seems so close

Gm
What did it leave behind?
Eb **Bb** **F**
What did it take from us and wash away?
It may be long

Gm
But with our hearts start a new
Eb
And keep it up and not give up
Bb **F**
With our heads held high
REFRÃO:
Bb **F** **Gm**
You have seen hell and made it back again
How to forget? We can't forget
Eb **F** **Bb**
The lives that were lost along the way
Bb **F** **Gm**
And then you realize that wherever you go
There you are, Time won't stop
Eb **F** **Bb**

So we keep moving on

Gm **F** **Eb**
Yesterday's night turns to light
Gm **F** **Eb**
Tomorrow's night returns to light
F **Bb**
Oh ohh , Be the light
(**Bb F Gm Eb**)

Bb
Always weighing on my shoulder
F
A time like no other
Gm
It all changed on that day
Eb
Sadness and so much pain

Bb
Anyone can close their eyes
F **Gm**
Pretend that nothing is wrong, Open your eyes
Eb
And look for light

Gm
What did it leave behind?
Eb **F** **Bb**
What did it take from us and wash away?
It may be long
Gm **Eb**
But with our hearts start a new
And keep it up and not give up
Bb **F**
With our heads held high

Bb **F** **Gm**
You have seen hell and made it back again
How to forget? We can't forget
Eb **F** **Bb**
The lives that were lost along the way
Bb **F** **Gm**
And then you realize that wherever you go
There you are, Time won't stop

So we keep moving on

(**Bb F Gm Eb**)

Bb **F**
Some days just pass by and
Gm **Eb**
Some days are unforgettable
We can't choose the reason why
Bb **F**
But we can choose what to do from the day after
Gm **Eb** **F** **Gm**
So with that hope, with that determination
Eb
Let's make tomorrow a brighter and better day
(**Bb F Gm Eb**)
