Capostrate na 1ª casa

Intro: E

Take what you want, take what you want and go

Take what you want, take what you want and go

Take what you want, take what you want and go

Take what you want, take what you want and go

Take what you want, take what you want and go

Take what you want, take what you want and go

[Verse 1 - Taka]

Come and gone, the perfect storm, on and on, ever ending

Open doors, empty arms, don't look back, no pretending

[Bridge - Taka]

I don't want anything in a broken home

Not those memories of the things we own

Not the picture of us on the wall

So take what you want

[Chorus - Taka]

Can you hear me? I'm trying to hear you

Silence strikes like a hurricane

I'm seeking for you, you're screaming at me

It's hard to see your tears in the pouring rain

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

[Verse 2 - Luke]

Take what you want, take what you want and go

Take what you want, take what you want and go

Take what you want, take what you want and go

Just go now, just go, go, go

[Michael]

Still remember the time we felt like home

You and me up against the great unknown

You were my life, now you're out of my life, yeah I guess that's life

[Chorus - Ashton]

Can you hear me? I'm trying to hear you

Silence strikes like a hurricane

I'm seeking for you, you're screaming at me

It's hard to see your tears in the pouring rain

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

Oh-oh-oh-oh-oh

[Calum]

Take what you want, take what you want and go

[Bridge]

Take it, no reason for me to hold on

I feel my eyes oh no

Keep it, don't need it, don't need it, don't need it

Take what you want, take what you want yeah

[Chorus]

Can you hear me? I'm trying to hear you

Silence strikes like a hurricane

I'm seeking for you, you're screaming at me

It's hard to see your tears in the pouring rain (the pouring rain)

I don't want anything in a broken home

Not those memories of the things we own (all the memories)

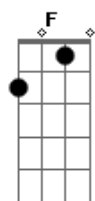

Take what you want, take what you want and go

A Dbm

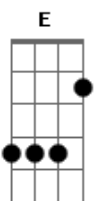

[Outro]

Can you hear me?
