

# One Ok Rock - Taking Off (English)

Tom: E  
Intro: 2x: Abm A B Dbm Abm

Dbm  
Stuck in the same routine

Living an empty dream

When am I gonna wake up? A B

Dbm A  
Thought we had it right

Now it's an endless night

Where is it gonna take us? A B

E Dbm A

B  
Realizing, everything I love is slowly killing me  
Refrão:

Abm A  
I know, I know

We're taking off together

Even though we always crash and burn

Abm A  
Tonight you and I will fall from the sky

Drag me all the way to hell

'Cause I'm never gonna let it go

Abm A  
I'm never gonna let it go

Dbm  
Build a broken heart

Watching it fall apart A B

This is how I like it

Dbm  
Sink your teeth in

Give me what I want

I love the way it hurts A B

E Dbm A
