                F (forma dos acordes no tom de E )
Capostraste na 1ª casa
Intro: A Gbm Dbm E
                                                                  But I ain't worried 'bout it right now (Right now)
[Primeira Parte]
                                                                                          Dbm
                                                                  Keeping dreams alive, 1999, heroes
I don't know what you've been told
                                                                  I ain't worried 'bout it right now (Right now)
                                                                                            Dbm
But time is running out, no need to take it slow
                                                                  Swimmin' in the floods, dancing on the clouds below
                             Ghm
I'm stepping to you toe-to-toe
                                                                                            A Gbm Dbm
                                                                  I ain't worried 'bout it
              Dbm
I should be scared, honey, maybe so
                                                                   I ain't worried 'bout it
[Refrão]
                                                                     Dbm E
But I ain't worried 'bout it right now (Right now)
                                                                  [Ponte]

                                                                       Gbm
                                                                  0oh
I ain't worried 'bout it right now (Right now)
                                                                  I ain't worried
Swimmin' in the floods, dancing on the clouds below
                                                                      Gbm
                                                                  0oh
                         A Gbm Dbm
I ain't worried 'bout it
                                                                   Oh, no, no
 I ain't worried 'bout it
                                                                  [Refrão]
    Dbm E
                                                                  But I ain't worried 'bout it right now (Right now)
[Segunda Parte]
                                                                                          Dbm
                                                                  Keeping dreams alive, 1999, heroes
I don't know what you've been told
                                                                  I ain't worried 'bout it right now (Right now)
                                                                                            Dbm
                                                                  Swimmin' in the floods, dancing on the clouds below
But time is running out so spend it like it's gold
                           Ghm
I'm living like I'm nine-zeros
          Dbm
                                                                  I ain't worried 'bout it
Got no regrets even when I am broke (Yeah)
                                                                  Ooh, hey
\ensuremath{\mbox{I'm}} at my best when \ensuremath{\mbox{I}} got something \ensuremath{\mbox{I'm}} wanting to steal
                                                                   I ain't worried 'bout it
Way too busy for them problems and problems to feel (Yeah,
No stressing, just obsessing with sealing the deal
                                                                   I ain't worried 'bout it
