

# OneRepublic - Serotonin

tom:  
Intro: C F C

[Primeira Parte]

C  
I, I keep throwin' up shade

Little sunlight in the pouring rain  
F I do, I do, I do

And time keeps tickin' away C  
Feelin' so far from yesterday F

And you, and you, and you

[Pré-Refrão]

C F  
And I'm just stopping through to say hello (Hello)

C F  
And I'm just stopping through to say hello

Then I'm gonna lay low

[Refrão]

C  
Tryna let go, sinkin' down slow

Serotonin high got me like woah F  
Know a couple things that I wish I didn't know

I, I C  
Tryna let go, sinkin' down slow

Flying in my dreams, got me feelin' like woah F  
Know a couple things that I wish I didn't know

I, I

[Pós-Refrão]

C  
Oh, oh, oh

F  
Serotonin high

[Segunda Parte]

C  
I keep tryna drown out

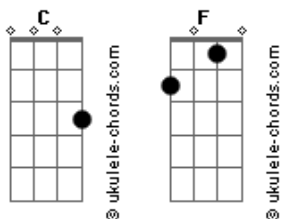

F  
All of these thoughts, they get so loud

I do, I do, I do C  
And I just wanna know how

F  
Everything feels so different now

With you, with you, with you
