

# OneRepublic - Something I Need

Tom: **G**

I had a dream the other night **G**  
 About how we only get one life **Em**  
 Woke me up right after 2 **C**  
 Stayed awake and stared at you **D**  
 So I wouldn't lose my mind **G**

And I had the week that came from hell **G**  
 And yes I know that you could tell **Em**  
 But you're like the net under the ledge **C**  
 Whether I go flying off the edge **D**  
 You go flying off as well **G**  
 And if you only die once **C**  
 I wanna die with **D**

**G**  
 You got something I need **Em**  
 In this world full of people there's one killing me **C**  
 And if we only die once, I wanna die with you (2x) **D** **G**

Last night I think I drank too much, yeah **G**  
 Call it our temporary crunch **Em**  
 With broken words I've tried to say **C**

"Honey don't you be afraid" **D**  
 If we got nothing, we got us, yeah **G**  
 And if you only die once **C**  
 I wanna die with **D**

**G**  
 You got something I need **Em**  
 In this world full of people there's one killing me **C**  
 And if we only die once, I wanna die with you (2x) **D** **G**

**G**  
 I know that we're not the same **Em**  
 But I'm so damn glad that we made it **C**  
 To this time, this time, around, yeah **D** **G**

**G**  
 You got something I need **Em**  
 Yeah, in this world full of people there's one killing me **C**  
 And if we only die once, I wanna die with you **D** **G**

**G**  
 You got something I need **Em**  
 In this world full of people there's one killing me **C**  
 And if we only die once, I wanna die with you (2x) **D** **G**  
 And if we only die once, I wanna die **C**  
 If we only live once, I wanna live with you **D** **G**
