E This town is colder now, I think it's sick of us E7
It's time to make our move, I'm shakin off the rust
E I've got my heart set on anywhere but here E7

I'm staring down myself, counting up the years

Dbm Steady hands, just take the wheel... A

And every glance is killing me Dbm

A Time to make one last appeal... for the life I lead

E Stop and stare

E7 I think I'm moving but I go nowhere

Dbm Yeah I know that everyone gets scared

A But I've become what I can't be, oh

E Stop and stare

E7 You start to wonder why you're 'here' not there

Dbm And you'd give anything to get what's fair

A But fair ain't what you really need

E Oh, can u see what I see

E E7

They're tryin to come back, all my senses push
Un-tie the weight bags, I never thought I could...

Dbm Steady feet, don't fail me now A

Gonna run till you can't walk A

But something pulls my focus out

And I'm standing down...

E Stop and stare
