

OneRepublic - Stop And Stare

Tom: E

Intro: E B E B

E B
This town is colder now, I think it's sick of us
It's time to make our move, I'm shakin off the rust

E B
I've got my heart set on anywhere but here

I'm staring down myself, counting up the years

Dbm A (pestanda)
Steady hands, just take the wheel...

Dbm
And every glance is killing me

A
Time to make one last appeal... for the life I lead

E
Stop and stare

B
I think I'm moving but I go nowhere

Dbm
Yeah I know that everyone gets scared

A
But I've become what I can't be, oh

E
Stop and stare

B
You start to wonder why you're 'here' not there

Dbm
And you'd give anything to get what's fair

A
But fair ain't what you really need

E
Oh, can u see what I see

E B
They're tryin to come back, all my senses push

Un-tie the weight bags, I never thought I could...

Dbm A
Steady feet, don't fail me now

Dbm
Gonna run till you can't walk

A
But something pulls my focus out

And I'm standing down...

E
Stop and stare

B
I think I'm moving but I go nowhere
