# OneRepublic - Wherever I Go

Tom: Db

   [Intro]

```
Ebm                            Gb         Bbm
I know I could lie but I'm tellin the truth
Ebm                     Gb        Db
Wherever I go there's a shadow of you
   Ebm                   Gb         Bbm
I know I could try looking for something new
      Ebm               Gb         Db
But wherever I go, I'll be looking for you
```

[Verse]

```
          Ebm            Gb        Bbm
Some people lie but they're looking for magic
        Ebm     Gb   Bbm
Others are quietly going insane
      Ebm          Gb         Bbm
I feel alive when I'm close to the madness
      Ebm           Gb          Bbm
No easy love could ever make me feel the same
```

[Chorus]

```
  Ebm                      Gb        Bbm  Ab
I know I could lie, but I won't lie to you
Ebm                    Gb         Bm   Ab
Wherever I go, you're the ghost in the room
  Ebm               Gb         Bbm  Ab
I don't even try looking for something new
     Ebm                Gb         Bbm
Cause wherever I go, I'll be looking for you
```

[Verse]

```
          Ebm         Gb          Bbm  Ab
Some people try but they can't find the magic
        Ebm            Gb          Bbm  Ab
Others get down on their knees and they pray
        Ebm        Gb          Bbm       Ab
I come alive when I'm close to the madness
      Ebm           Gb          Bbm
No easy love could ever make me feel the same
                 Bbm
```

Make me feel the same, make me the same, same, same

[Chorus]

```
   Ebm                       Gb        Bbm   Ab
I know I could lie but I'm tellin the truth
Ebm                     Gb        Bbm  Ab
Wherever I go there's a shadow of you
  Ebm                   Gb         Db   Ab
I know I could try looking for something new
      Ebm               Gb        Bbm  Ab
But wherever I go, I'll be looking for you
       Bbm                         Bbm
Wherever I go, I'll be looking for you, you
```

[Bridge]

```
            Ebm        Gb          Bbm
Some people pray to their God for some magic
             Ebm            Gb            Bbm
Cause no easy love could ever make them feel the same
           Ebm          Gb          Bbm
No easy love could ever make me feel the same
                 Bbm
Make me feel the same, same, same
```

[Chorus]

```
   Ebm                     Gb        Bbm   Ab
I know I could lie but I'm tellin the truth
Ebm                     Gb        Bbm  Ab
Wherever I go there's a shadow of you
  Ebm                   Gb         Db   Ab
I know I could try looking for something new
      Ebm               Gb        Bbm  Ab
But wherever I go, I'll be looking for you
```

```
   Ebm                     Gb        Db   Ab
You think it's a lie but I'm tellin the truth
Ebm                     Gb        Bbm
Wherever I go, I'll be looking for you
Bbm                Bbm        Bbm
Wherever I go, I'll be looking for you
                 Bbm
Looking for you
```
