tom:

Intro: Cm Fm Dm G7 Cm
Cm Fm Dm G7 Cm

A vida passa ardida, escassa, amarela

O tempo passa, encurta a mecha da vela

A vida passa ardida, escassa, amarela

Certeza passa ano a ano se esfarela

A dor não passa, não passa, morde na boca banguela

(Cm Fm Dm G7 Cm)
(Cm Fm Dm G7 Cm)

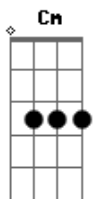

A ronda passa, melhor fechar a janela

A bala passa, esgarça minha costela

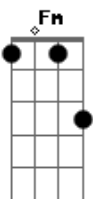

A ronda passa, melhor fechar a janela

A zanga passa, abranda a massa, a novela

A dor não passa, não passa, retesada sentinela

Passa, passa, passa Passa, passa, passará
Passa, passa, passa Passa, passa, passará

Boiada passa, ministro se refestela

Passante passa e um mangaça te atropela

Boiada passa, ministro se refestela

O sapo passa e já nem entala na goela

A dor não passa, não passa, só aumenta a clientela
