

Orquestra Royal - Solta o Cano

Tom: G

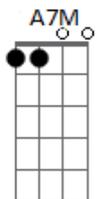

Mais um dia mais um vazamento
 Segura o cano ou a casa cai
 O furico tá na mão
 E já não aguento
 A pressão está demais!
 Eu já rezei pedi pra Cristo
 E finalmente achei a
 solução

F#m7(5b) B7(9b) Em
 Eu arrumei o meu registro
 Agora a casa não cai mais
 não
 Solta o cano que não cai
 Solta o cano que não cai
 Meu irmão
 Já vai baixar a pressão
 Solta o cano que tá
 tranquilo
