                   C
Intro: C  F  C  F

 C                F                C     F
I can see the sadness in your eyes
                   C   F              C      F
You've been tryna hide    what you left behind

Em                     F
   They say it?s darkest before the dawn
Em                     F
   But you've been smiling for so long
Em                   F               E   E7
A thousand teardrops can't be wrong, no

A                    A
I don?t want you to be afraid
A7          D   Dm
  Let me see you cry
   Dbm        D
Oh I, I got an hour or so
Dbm             D
  Take my hand and let it go
Dbm           D
  Call me up anytime
                 A
C'mon baby, cry

( C  F  C  F )

C                      F            C     F
  I can tell you're a sad boy just like me
           C   F             C       F
Baby, don't deny    what your poor heart needs

Em                   F
   Been so long since he called your name
Em                F
   On the run from a losing game
Em                       F             E    E7
   Just bat your eyes, baby, let me feel the pain

A                    A
I don?t want you to be afraid
A7          D   Dm
  Let me see you cry
   Dbm        D
Oh I, I got an hour or so
```
