

Os Cabides - Jantar Atemporal

tom: C

Olho os reflexos
 Bela casa de espelhos
 Me convida, pra jantar
 Senta no chão da sala
 Comida japonesa

Uma limonada
 Cairia muito bem

Acordes

Lá fora o tempo está a favor
 O sol grita como um neném
 Sua maquina do tempo estragou
 E eu vou fazer o que?
 Eu te comprei um vestido florido
 Literalmente o mais florido da loja
 E agora vamos sair
 Pra dançar
